One won-won-won-won-der - ful. One won-won-won-won-der - ful. She be-longs there left with her li-ber-

ty, Nev-er known as a non - be - liev - er. She laughs and stays in the

One won-won-won-won-der - ful. She knew how to ga-ther the for - est when they reached soft-ly

and moved her bo - dy. One gold-en lock-et quite young and - lo-ving her mo-ther and

fa - ther. Far-ther down the path was a mys-ter - y, Through the re-cess the chalk and

num-bers. A bay bumped in - to her. One won-won-won-won-der - ful. All fall down and

lost in the mys-ter-y, Lost it all to a non - be - liev - er. and all that's

left is a girl that's loved by her mo-ther and fa - ther. She'll re - turn in love with her li-ber-

ty, Just a - way from the non - be - liev - er. She'll sigh and thank them for

One won - won - won - won - won - der - ful.
